Hello! I'm Allelea

Ever since I was little girl, I dreamed of weddings and all the special occasions that are celebrated. All of the pretty flowers and your beautiful gown just makes me giddy. Seeing visions and dreams come to life has always been fulfilling. I enjoy making my couples happy, knowing that whatever they can dream up I can make a reality. I like to think "We're making wedding magic."

About Me

The bride was so happy she was glowing.
